Orphanage Resolution Is Passed To Rebuild Theatre, Amusement Center At Mineral Plunge Wedding Bells Ring For Sheriff Ryan and Miss Jessie Hiser

FINE IMPROVEMENT NOW PLANNED AT FETTERS SPRINGS

George Feters Confers With Architect and Builder Preparatory to Replacing Burned Buildings.

George Feters, owner of the famous mineral baths and hotel at Feters Springs, has been conferring with his architect and contractor, M. Y. Hansen, the past week, on plans for a new theatre and amusement center at the big resort to replace the buildings destroyed in the recent fire.

Feters is seriously considering the building of the theatre and dance pavilion at the present bath house which would be remodeled and made to conform with the fine new improvements contemplated. He believes that by concentrating all the amusements the resort can be made one of the most beautiful and popular north of San Francisco.

A new hot mineral swimming plunge is also being figured on by the enterprising resort proprietor in response to the popular demand for hotter water in colder weather. This may be glass enclosed so that both open air and under the roof swimming may be enjoyed by recreationists and health seekers winter and summer. Feters has ample parking space around the site of the proposed theatre and the proximity of the new location to the main hotel makes it ideal.

Just when work on the new project will start has not been decided upon, but Mr. Feters states that it will be started in plenty of time to assure 1926 patrons the completion of all improvements which will make Feters Springs one of the most popular and up to date resorts in the state.

It is intimated that the olive orchard fronting the highway, farming land and other acreage which is a part of the Feters property may shortly be subdivided and put on the market as a residence tract.

Mrs. Eliza Shepard was in Sonoma this week boosting for the barn dance to be given October 3rd, at Pancrazi's auditorium, Glen Ellen. Ticket sales indicate a wide interest in the dance and the prizes.

SUPERVISOR LOWELL MAKES IMPROVEMENTS

Besides the building of the new Vineburg highway, which is under construction at the present time by Teichert & Son, Sacramento contractors, Supervisor Lowell has been improving roads in the vicinity of Glen Ellen. The damage on the road between Eldridge and Glen Ellen, caused by the caving of a retaining wall last winter, has been fixed and the road scraper has been used to good advantage on rough places in the road from Warfield to Eldridge.

The contractors are making good progress on the Vineburg-Napa highway and although the road is now badly torn up, necessitating detours for residents in the vicinity, the inconvenience is well worth while. It will be a splendid improvement when completed.

Sheriff Joe Ryan Has Inaugurated Religious Service

Sheriff Joe Ryan has given his official O. K. to the holding of religious services by the W. C. T. U. at the county jail every Sunday. The corridors will now ring with hymns and the gospel will be carried to the prisoners. The new sheriff evidently believes that some of his charges may thus be turned into righteous paths. If law breakers can be converted and bootleggers "saved," they will not be cluttering up the jail and repeating their offenses. Such is the theory of those who have faith in old fashioned religious influence in these days of making people good by law.

WATT-COPELAND CASE WAS TRIED

Superior Judge R. L. Thompson has taken under advisement the suit brought by Richard L. Watt against Octavia Copeland, for cancellation of a deed to land. Watt claims that the land was to have been deeded to him upon the death of his aunt, Sarah Ellen Watt, charging that a deed deposited by her in a bank, to be given to him upon her death, was withdrawn and a new deed giving the property to Miss Copeland drawn up.

Miss Copeland occupied the stand during part of Thursday's session and testified that she had served and attended Mrs. Watt for 36 years. Earlier in the trial Watt had testified that he had farmed the property in litigation, in which he owns a half interest, for 24 years.

The trial was concluded with arguments by the attorneys, Roy A. Bronson and W. F. Cowan for Watt, and R. M. Barrett of Barret & McConnell for the defendant.

During the two days' trial many well known Sonoma Valley people were called as witnesses, including Jesse Burris, R. E. Perkins and Henry Weber, Jr., now of San Francisco. All were formerly connected with the Sonoma Valley Bank, where the deed subsequently taken out and changed, was deposited. Burris testified that the late Robert A. Poppe gave him the original document and told him to put it away until Mrs. Watt's death "unless she called for it before."

ACCIDENT ON THE BLACK POINT CUT-OFF

Two cars collided on the Black Point cut-off near the A. Thomas service station Saturday. The car of Benjamin August and family, enroute to San Francisco, ran into Miss G. Piercy of Napa and a lady friend when a tire on the August car blew out. The Piercy car was badly damaged and the ladies painfully cut and severely bruised.

Deputy Sheriff Mullen was called to the scene of the accident and after taking data on the occurrence, gallantly took the Napa victims of the accident to their homes.

The crippled cars were taken to Neuman's service station at Schellville

American Legion To Ask State Of California For Farm At Buena Vista

Mrs. Eliza Shepard is home from the state convention of the American Legion and its Auxiliary at Catalina and brings the good word that both organizations prepared and passed resolutions favoring the establishment of the American Legion's California orphans' home in Sonoma Valley, and asking Governor Richardson and the state to grant a 50 year's lease of the property at Buena Vista, formerly the site of the defunct farm for delinquent women.

The resolutions set forth that to turn over the farm to the American Legion philanthropy would not work a hardship on the epileptics now occupying the property, inasmuch as the state has 2000 acres in the vicinity of Eldridge which is being highly improved and is ample to house the epileptic colony. When the resolutions were passed the World War veterans got up and cheered, evincing the greatest enthusiasm in the plan to establish the cottage plan home for little orphans in our beautiful Valley of the Moon.

The women of the Auxiliary reported that \$35,500 in cash had been contributed by them to American Legion child welfare during the past year. In addition, much commendable aid had been given at the veterans' hospitals where fine donations for the comfort and pleasure of disabled service men were made.

The American Legion now has 700 auxiliaries, with a membership of 7000 women in California.

In recognition of Mrs. Shepard's splendid work in the upbuilding of the organization, the convention went into executive session and nominated the Glen Effen woman for national president. Her name will come before the national convention at Omaha, Nebraska, early in October. Mrs. Shepard will leave for Omaha shortly and while disinclined to accept honors which would take her away from home, is most appreciative of the recognition given her by the California delegation.

Mrs. Shepard is an enthusiastic supporter of the Legion orphanage, which she hopes to see established at Buena Vista. American Legion posts throughout the United States will give generous aid for maintenance of the institution once it is established.

The next convention of the American Legion will be held in Susanville, Lassen county. The northern city made a great bid for the convention. Susanville sent a band with the uniform of mountaineers, they serenaded everyone, placarded Catalina with their slogans and brought a \$10,000 certified check to assure the Legion boys that fine entertainment had been provided for them next year. Susanville landed the plum.

Prominent Couple Will Wed Here Today

Miss Celia Louise Thomson, daughter of Dr. and Mrs. A. M. Thomson, Francisco. Her distinguished California and great grand-daughter of the late General M. G. Vallejo, will be married to William Harrison Shiffler at the Thomson home on Napa street this afternoon.

Owing to the recent illness of the bride's father, the more elaborate wedding to have been solemnized at La Chryma Montis, the Vallejo home, was changed to the quiet home affair made possible by the home coming of Dr. Thomson this week. The immediate families and a few intimate friends will be present. Miss Beth Lane of Berkeley will be bridesmaid and a Berkeley fraternity brother of the groom will officiate.

The wedding ceremony will take place in the living room of the home which will be tastefully adorned in flowers and autumn foliage. The bride will wear a handsome dinner dress in the gold tones. Following the ceremony a bounteous repast will be served by Mrs. Thomson, assisted by her mother, Mrs. L. V. Emparan.

The newlyweds will then leave on their honeymoon, which is to be spent in Southern California. Their future home is to be in Berkeley, where they have furnished up an artistic apartment.

Miss Thomson is the only daughter of the prominent Sonoma physician and is a young lady of charm and culture. She was educated in the convent and public schools of Sonoma and later attended Munson's in San Francisco. Her distinguished California ancestry has made her much sought after. She has the dark eyes of her mother's family and is graceful and petite.

Mr. Shiffler comes from a fine Southern California family and is a graduate of the University of California. He holds a responsible position in the chemical research department of the Standard Oil Company.

Another Faithful Chinese Gathered To His Ancestor

Sam Chu, another one of the few remaining Chinese orchard workmen of Sonoma Valley, died at Eden Dale, the Clements ranch, on Tuesday of this week. His death was due to an attack of pneumonia, and although his employer called in medical aid and did all that was possible, he passed away. Chu, with the faithfulness characteristic of the Chinese, had worked at Eden Dale for the past 25 years. Chinese countrymen came for the remains, which, in accordance with their religious belief, will be shipped back to China to rest with ancestors in the Flowery Kingdom.

LOCAL WATER WORKS MERCER GIVEN O. K.

The Railroad Commission has given its official sanction to the proposed merger of the three Sonoma Valley water concerns, whereby the Sonoma Valley Water and Irrigation Company will take over the Emparan system, and the Sonoma Vista plant of A. E. Joscelyn.

The Corporation Commission must now look into the matter, as the company proposes to issue stock and put it on the market in order to raise capital to take over the plants and make improvements to serve the community.

Under the plan the Emparans are to receive \$30,000 for the Sonoma City Water Works. In addition, it is said, they will sell the entire ranch with the exception of the home place.

The O'Brien ranch is also to be taken over, Otto R. Wagner, president of the new holding company making the sale. Wagner will also be compensated for bills which he had to pay while a director of the defunct Sonoma Valley Water, Light and Power Company, after the Chester regime. Ten thousand dollars worth of old debts are to be assumed by the new company.

Mr. Joscelyn of the Sonoma Vista Company will receive \$10,000 for his business and plant.

ENGAGEMENTS REPORTED

Two prominent Sonoma Valley young ladies have succumbed to Cupid's wiles and will shortly wed, so Dame Rumor says.

One engagement is that of the youngest of three pretty and accomplished sisters of a prominent up-valley family, who is to wed an Oakland young man.

Wedding bells will also ring out for a pretty Sonoma young woman and a well known widower, although no date has been set as yet.

A charming school teacher of Sonoma Valley is also reported to be about to take the fatal step and is wearing a sparkler from her fiancé.

Mrs. L. C. Lewis has returned to her Oakland home after spending several months in the South. She is still confined to her wheel chair as a result of a serious fall. Mrs. Lewis is with her daughter, Mrs. Edna Hoen, are expected.

NEW OFFICIAL WEDS SONOMA GIRL AT NAPA

Popular Bachelor Is Married Thursday Evening By Judge King of Our Neighboring City.

Sheriff Joe Ryan, who took office last week at Santa Rosa, took a bride this week at Napa. He was married Thursday evening at 5:30 o'clock to Miss Jessie Hiser, popular night operator of the local telephone office. The ceremony was performed by Superior Judge Percy S. King of our neighboring city, who handcuffed the happy couple who have been sweethearts for some time past.

News of the marriage was given out at the Verdant Rebekah Lodge several hours later when the bride, who is financial secretary of the organization telephoned that she could not be present as she had been married to Sonoma county's new sheriff and was in San Rafael.

The happy announcement caused the greatest rejoicing, as both Ryan and his bride are very popular here. The sheriff was thought to be a confirmed bachelor, but evidently concluded that he needed a real deputy, so claimed the charming Sonoma girl who is now his life partner.

The bride is the daughter of Mrs. M. Hiser of Broadway, now visiting in the East. She has spent her girlhood in Sonoma and endeared herself to a large circle of friends. Accomplished in the fine art of homemaking, of a happy disposition, and vivacious personality, she will make an ideal wife for Sonoma county's new official.

The groom's sterling traits of character, his love of home and steady, dependable habits have won him the regard and esteem of all who know him. Both his private and public life have commended Joe Ryan during his long years of residence here and he will be wished the greatest of luck and happiness.

The Index-Tribune joins with other friends in congratulating Joe and his fair bride.

It is understood that Sheriff and Mrs. Ryan will reside at Santa Rosa as soon as they can establish a home in that city.

BARBECUE AT GLEN ELLEN TOMORROW

Tomorrow is the big day at Glen Ellen, the date of the barbecue and outing of St. Francis parish at the Mervyn Hotel grounds. Mine host James O'Rourke is preparing for a record crowd as the admission entitles all comers to a real treat at the barbecue pit, where a delicious spread is promised. Open air mass will precede the day's program. The ladies of the parish will welcome all comers and see to it that everyone has a good time.

The dance platform and swimming in the pool at the Mervyn will be features of the day. There will also be contests and field sports. Perkins' orchestra will furnish the latest jazz music. Many out of town visitors are expected.

EL VERANO NEWS

By ARCHIBALD McKIVER

The picnic at Glen Ellen tomorrow, September 27th, given for the benefit of the St. Francis church, Sonoma, is the big event of the season. The festivities will be held at the old Mervyn Hotel, now O'Rourke's picnic ground.

A barbecue, swimming races and other sports will be featured, while Perkins' famous jazz orchestra will furnish music for dancing. All arrangements have been completed to handle a large crowd. Prior to the athletic events an open air mass will be celebrated on the grounds. Everyone is invited to attend and enjoy the good time.

Albert Wiemer, manager of Dempsey and Company, of Oakland, is spending two weeks at the McCrae home. Mr. Wiemer is enjoying his visit and likes scenic Sonoma Valley.

Mr. and Mrs. Albert Dutil have returned from an enjoyable trip to Canada. The tourists were gone three weeks, making the trip by auto. Mr. Dutil is Sonoma's live wire baker and his many friends are welcoming him home again.

Duffy Lewis, former resident of Boyes Springs, who recently withdrew as part owner of the Portland base ball club, has gone East to negotiate the purchase of a controlling interest in one of the independent league teams there.

Thursday, October 1st, is the big day for hunters. The duck season will open on that day and of our lo-shot gun artists have been shining up the old musket and trying out their bird dogs in preparation for the opening day.

Joseph Lancier of San Francisco has leased the Lombard property in South El Verano.

Mr. and Mrs. D. H. Fenn, newlyweds, have returned from Nevada to make their home in El Verano.

Mr. and Mrs. A. B. Johnstone, who have had a new country home constructed in El Verano, were here over the week end. The Johnstones live in San Francisco, Mr. Johnstone being in the ferry office of the S. P. Company in that city.

William Haddock, pioneer of Crockett, is spending his annual vacation at Sonoma Grove. Bill is an old timer in the valley and is being welcomed by local friends.

Harry and Bill Baines are taking the sea air at Tomales and enjoying their favorite sports, angling and digging for clams.

J. Batto & Sons have been unloading at their El Verano warehouse a carload of choice alfalfa hay, and also a carload of mixed feed.

Mrs. A. E. Byrne of San Francisco has been spending the week at her Sonoma Vista summer cottage.

Fred Jensen was transacting business in the bay city last week.

Mrs. M. Canavari returned to Oakland last Saturday morning after a pleasant visit with Sonoma relatives.

Mrs. L. Mouyer was a visitor in Oakland last Saturday. She was accompanied by Mrs. P. Burns.

Louis Parente of Verano has received delivery, through the Locarnini agency, of a 1926 Hudson coach. The new roadhound is the goods, and Louis is proudly driving the car which he says is the king of all gas machines.

Clarence Chance has accepted a position at the Mare Island navy yard. Business is picking up at the government plant, and busy times are looked for during the coming year.

Mrs. A. Moore of Vallejo, sister of Mrs. W. Wyatt, spent last Saturday

visiting the Wyatts and her mother, Mrs. Pilastre, who has been laid up for some months, suffering from gasoline burns. She is now able to get about in a wheel chair. Mrs. Moore was accompanied by her daughter and son.

The Napa Journal pays a big tribute to our newly appointed sheriff, Joe Ryan, complimenting him on being the gamest officer in the state, and saying that his selection as successor to John M. Boyes is the only logical selection that could be made, if faithful service, self-sacrifice and general ability were to be rewarded. The write-up from our sister city is the real goods, and the scribe who wrote it is to be congratulated on knowing his stuff.

The marriage of Frank Denny and Miss Josephine Munro recently took place at Oakland. The bride is a re-

DIAMOND JUBILEE DAY
AT WOMAN'S CLUB

The Sonoma Valley Woman's Club celebrated the Diamond Jubilee of California at its social meeting Friday afternoon of last week. The club house was decorated in the Jubilee colors, red, yellow and green. Mrs. Tate, Miss Florence Murphy, Mrs. Charles Cutter and Miss M. Burchard arranging for the affair and being the hostesses of the afternoon.

The program under the direction of Mrs. Walter Murphy, was replete with numbers reflective of the Jubilee, and progressed from the Spanish era to the present time. It was presented as a review of California's background and progress from the days of the dons and Mexican supremacy under General Vallejo down through the splendid idle forties of Bret Harte.

The program opened with the customary singing of "America, The Beautiful," by club members and guests. Mrs. Murphy then sketched the Spanish influence in California and the spirit of its explorers and soldiery. Mr. A. R. Grinstead followed with a beautiful and appropriate solo, Bullard's "The Sword of Ferrara," which was admirably suited to the singer's voice. He sang with gusto and artistic interpretation. Mrs. Grinstead accompanied him on the piano. For an encore the Kipling number, "Rolling Down the Rio," seemed to sound the note of California's English navigators and won for the singer enthusiastic applause.

Vallejo in California was the theme then taken up by the program director, who set forth the General's attitude toward the alliance of California with the United States, by reading from history Vallejo's statement to Pio Pico, then governor of the state, in which he lauded the United States of America, counseled friendliness with this country and urged that we join the fortunes of California with this truly great nation. General Vallejo's statesmanship and his civilizing influence in this northern frontier of California was stressed. It was recalled that he was a patron of the arts and lover of music. His daughters, well trained in music, are contributing to the cultural side of life today. Mrs. Lulu Vallejo Emparan his daughter, was introduced and sang an original California song, "La Reine," composed by Francesca Carrillo Vallejo (Mrs. McGettigan), her niece, of San Francisco. The song, whose words and music attest the talent of the composer, has a real Spanish tempo and was sung with Mrs. Emparan's usual charm.

The pioneer period and days of '49 in California were reflected in Mrs. Burlingame's clever rendition of Bret Harte's poem, "Her Letter."

Mrs. Howard Burt Kelly brought greetings from New York to California and sang three beautiful numbers: Tosti's "Goodbye," Ashford's "My Task," and Guion's "Little Picanniny Kid." Mrs. Will Caulfield accompanied her. The singer's voice, a rich contralto, showed most excellent training and the songs proved a fine vehicle for the artistic temperament and personality of the charming visitor. Mrs. Kelly is visiting in Petaluma and was secured for the Sonoma club through the kind interest of Mrs. Frank Phillips, of our neighboring city. The New Yorker is on the federation program at the Fairmont Hotel this week.

Senator Slater of Santa Rosa gave the principal talk of the afternoon, eulogizing California, its past, present and future in eloquent manner. He commended the Sonoma club for honoring the Diamond Jubilee and for its interest in the history and landmarks of this historic Sonoma county.

The program ended with the modern day gem, "California Lullaby," by Rudy Sieger, which was sweetly and effectively sung by Mrs. R. Hotz.

Mrs. Lenore Campbell of Healdsburg, president of the Sonoma County Federation of Women's Clubs, was present with a delegation of Healdsburg visitors. She gave an impromptu talk and made an earnest plea for the beautification of the Sonoma Plaza, pledging herself to interest the club women of California in the improvement of this historic Sonoma acreage. Do the ESKIMOS HIBERNATE
SIX MONTHS of the YEAR?

HERODOTUS, the ancient geographer and historian, thought so. We moderns know better, but some of us are still superstitious. For example, why do some people still believe that there is something mysteriously "better" about "eastern" motor oils merely because they cost more and are made in the east?

Oil Superstition Fast Losing Ground

Zerolene costs less because it's made in the West—but that doesn't make it better; it's better because in practice it actually lubricates better. That's why Zerolene is successfully lubricating more cars in the Pacific Coast states—high priced and low—than any other oil made.

Zerolene will increase the gasoline mileage, reduce the carbon removal operations and maintenance costs and lengthen the life of any car in which it is used.

Made from Selected Naphthenic Crude

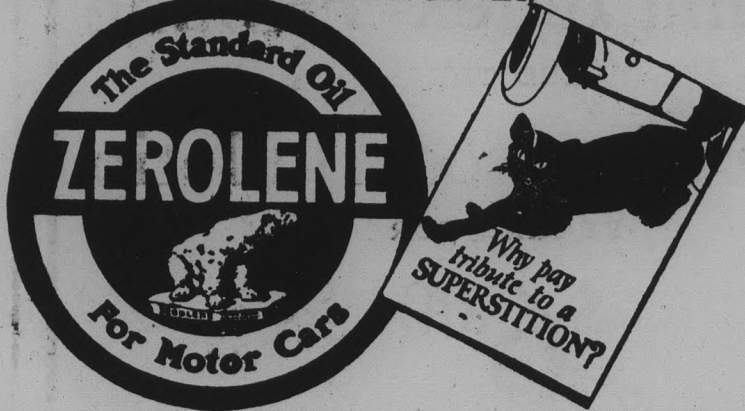

Zerolene will do the same for your car. It is made from selected western naphthenic base crude (the best crude so far discovered for the manufacture of motor lubricants) by our high-vacuum process, checked 15 times for quality, and specially filtered through 40 tons of Florida Fuller's Earth to give you an oil that's absolutely pure and safe.

Why pay tribute to a superstition? Insist on Zerolene. Always ask for ZEROLENE by name.

Get the Facts!

A series of independent and impartial reports showing the experience of large users with Zerolene motor oil has been collected in our booklet, "Why Pay Tribute to a Superstition?" Ask any Standard Oil Company representative or Zerolene dealer for a copy.

FRANK MERRIAM A NAME
YOU SHOULD KNOW

Our good friend, Frank Merriam, of Long Beach, who is on the Board of Directors of the Knights of Pythias Home at Kenwood, and was in the Sonoma Valley last week, is to be a candidate for Lieutenant Governor at the next election. Mr. Merriam is one of Long Beach's most progressive and representative citizens, and his fine presence and gift of oratory will reflect credit on California's judgment if the voters, at the next election, confer upon him the honor of which he is most worthy. As speaker of the Legislature at Sacramento, the Southern California man proved tactful and efficient throughout the last session.

MISS ELSIE SARTORI
WON MILKING CONTEST

The first prize in the milking contest held at the Marin county fair at Novato Sunday was won by Miss Elsie Sartori, daughter of Mr. and Mrs. A. Sartori, who reside in the Lakeville district.

Miss Sartori competed with three other milkmaids. She milked her father's prize cow, Tillie, a Brown Swiss and one of the finest animals exhibited at the fair.

The contestants made the following records, the time limit being three minutes:

Miss Elsie Sartori, 13.6 pounds.
Miss Tillie Corda, of Novato, 12.6 pounds.

Miss Lillian Grossi, of Novato, 9.6 pounds.

Miss Florence Sartori, 9.4 pounds. The Misses Sartori milked the Brown Swiss owned by their father and the other milkmaids milked the Brown Swiss owned by M. J. Pedratti.

A. Sartori won the first prize in the Brown Swiss class. Tillie was the heaviest milker exhibited at the fair. Sartori won three first and one third prize in the Brown Swiss, and three first and one third prize in the goats. Ernest and Victor Sartori, sons of A. Sartori, also exhibited stock including the Brown Swiss and the Guernseys and they also won prizes in the classes in which they entered stock.

BUST AND BARBECUE

Hundreds of Elks from towns and cities in the northern part of the state attended the annual oyster bust held last Sunday at Bates Grove, Sonoma, as guests of Petaluma Lodge No. 901, B. P. O. E. The gathering was one of the most notable given in many years. Elks gathered early and remained late, more than 600 being present during the day.

Ten thousand iced oysters were opened and the beef barbecued under the direction of William Turney was juicy and appetizing. Mexican beans, the best ever, were served with the beef in cafeteria style.

The feature of the occasion was the abundance of food and the hospitality afforded the guests by the Petaluma Elks. Damon's orchestra furnished music while the menu was being enjoyed. Then the high class vaudeville performers keep all interested.

A police dog, owned by a member of the Petaluma lodge who is ill, was disposed of to J. Mombosse, who donated it to the owner. It was then sold at auction.

A neat sum was raised which will be added to the fund now being raised for the new Elks home.

terested in various issues. The day is past when all the information came from politicians running for office and they were instantly lost sight of when they won out and went to Sacramento or Washington.

Just recently a constituent of one of our United States senators called to ask him the status of a certain pension bill which had been before Congress. The Senator did not seem to be very well informed. He side-stepped allusions to the context of the bill and was surprised when his interrogator told him so much about it. He was also told just how his vote had been cast in the matter. When the citizen came away from the interview he dubbed the Senator "a big mutt," so poorly informed did he seem to be on a question which was interesting a big percentage of his backers on the Pacific Coast. Will the Senator be returned to office? It is doubtful.

Men of public affairs should submerge their egos and learn to really represent the people who put them in the jobs they hold. It is all right to be brilliant on foreign questions,

to pose around Washington and give interview of grand eloquence, but the people are entitled to honest, intelligent and enthusiastic representation on matters affecting their welfare here at home. The voters are keeping so well informed that it is incumbent on politicians to keep pace. The day of the poser is now past.

RUSSIANS IN AMERICA

The refugee Russians in America is the fascinating theme of a recent article in the Saturday Evening Post. The writer touches on the influence which these exiles are making in our national life. That they are coloring some phases of Americanism is true, but the stronger color should be a red, a warning against Sovietism and all its propaganda. Here we find high type Russians cast upon our shores while the destructionists are running their country at home. A sorry spectacle, but it could happen in any country where the masses are gullible enough to swallow the fake promises of a new regime, theoretically so beautiful, but in practice so blighting.

Schellville News

Sam Shainsky and family and Mr. and Mrs. Steiman left Thursday for San Francisco where they enjoyed the Jewish new year.

The members and families of the Jolly Twelve spent a pleasant evening last Saturday at the home of Mrs. Alma Koeboom, at Sonoma.

Mr. and Mrs. Tony Keiser entertained Schellville friends this week, who greatly enjoyed their new five tube Atwater Kent radio set.

Mrs. Dan Stewart has enjoyed a delightful visit from her mother, who resides at Rio Vista.

Mr. and Mrs. R. A. Dow and son picnicked at Green Valley last Sunday.

The following attended the Marin county fair Sunday at Novato: Mr. and Mrs. F. Balios, Mr. and Mrs. E. Steiger, Mr. and Mrs. Joe Keiser and Misses Matilda and Yvonne Bonneau.

Mr. and Mrs. George Campbell entertained friends Monday evening. Cards were enjoyed and refreshments served.

Mrs. F. Helberg had a birthday Sunday and as usual, her many friends dropped in to congratulate her.

Mrs. E. J. Clements is home again after a pleasant camping trip of several weeks with relatives.

Miss Marguerite Helberg spent last Tuesday in the City of Roses.

Mr. and Mrs. James Tate of Sonoma and Mr. and Mrs. Joe Tate of Watsonville motored to that city on last Sunday.

San Francisco relatives spent the week end at the home of George H. Cassidy.

Logan Beamer, former resident who now lives in Eureka, passed through here recently and called on friends.

RECEPTION TO MRS.
FRED HELBERG, SR.

Mrs. Fred Helberg, Sr., of Schellville, was tendered a birthday surprise and reception at her home last Sunday, September 20th, in honor of her anniversary. The affair which was beautifully carried out in all its appointments, was arranged by Miss Marguerite Helberg, daughter of the esteemed Sonoma Valley family, who is home from San Francisco on her vacation.

The Helberg home was artistically decorated in seasonal flowers and foliage. A color scheme of pink and white was carried out in the dining room where roses and other blossoms intermingled with ferns, and a large birthday cake with pink and white candles decorated the large table, whose cover was also of pink and white. The shades in the room were drawn and the lights turned on as the guests were ushered in to the bounteous feast. Fifty-eight candles gleamed on the cake and Mrs. Helberg, from whom this part of the program had been kept a secret, was delighted and surprised as she joined her family and guests around the festive board.

Members of fraternal orders of which the guest of honor is a member and friends of the Flying Needles joined in felicitating Mrs. Helberg on the happy occasion. Many nice gifts were presented to the popular matron who was assisted in entertaining by her daughter, Marguerite, her sister, Mrs. E. Arbogast, and her daughter-in-law, Mrs. Fred Helberg, Jr.

Z. LEMAY, OLD RAILROAD MAN, DIES

Z. Lemay, a retired pensioner of the Northwestern Pacific railroad and for years a blacksmith in the railroad shops at Tiburon, died at his home on Broadway Saturday. He suffered a recurrence of a paralytic stroke which first seized him two years ago, and from which he had been a partial cripple. The aged man was found by his neighbors and tenant, Mrs. Badger, who, unable to get a response upon knocking at his door to give him the morning mail, investigated and saw him lying on the floor of his room. Help was summoned, a window entered and Mr. Lemay was picked up in an unconscious condition. Upon the arrival of a doctor it was deemed advisable to have the patient removed to Burnside, sanitarium, where he lingered until Saturday without ever regaining consciousness.

A daughter and two sons, residing at Tiburon and Oakland, were summoned and had the remains taken to San Francisco for cremation.

Deceased was a native of Canada, aged 75 years. He was an honest and industrious man, well liked for his genial personality and his good traits of character. After his years of loyal service with the railroad, he settled in Sonoma to spend his declining years. A short time before paralysis crippled him he took a trip East and to Canada, which he greatly enjoyed.

FRED CLEMENTS IS VISITING AT SUNNYVALE

Fred Clements, uncle of Edgar and Will Clements, who has been here from Skagwan, Canada, for the past six months, has gone to Sunnyvale to visit the Will Clements family.

NOTICE

My wife, Jennie Church, having left my bed and board, I will not be responsible for debts contracted by her. William Church, Schellville, Cal.

Neighborhood NEWS

The Adventists' school has opened under auspicious circumstances with Mrs. James Wagner as teacher.

Mrs. Jennie Church and children, formerly of Schellville, are now residing in Oakland.

The new home of V. Proletti is nearing completion and is a pretty, up to date bungalow.

Mr. and Mrs. Carlos Emparan are expected from Oakland today for the Thomson-Shiffler wedding.

Fred Batto, of Batto & Sons, Inc., has bought an immense tonnage of hay this season.

Mr. and Mrs. A. Dutil are home from a trip north, which extended as far as Canada. They had a splendid vacation.

The frioles, said by the Elks at the barbecue last Sunday to be the best ever, were prepared by Sonoma's famous Italian-French cook, Miss Catherine Laurenzi.

Mrs. Walter Murphy attended the bridge tea given by Mrs. Clarence F. Lea and Mrs. Harry Scott at Santa Rosa Wednesday afternoon of last week. It was a brilliant affair at the Saturday Afternoon Club house. Real Dresden china brought from Europe by Mrs. Lea was awarded as prizes for high scores at bridge.

Mr. and Mrs. A. Bianchini and a party of friends motored to Santa Rosa for the recent production of "Lightnin'" at the Cline Theatre.

James Kearney, Tom Corcoran and R. R. Emparan motored to Santa Rosa last week for a Knights of Columbus meeting in that city.

The little daughter of Mr. and Mrs. Ieveroni has recovered from a serious illness.

Miller's Grove at Boyes Springs has been the scene recently of several fine picnic parties. A party of 75 enjoyed an outing there last Sunday.

RECEPTION TO OUR TEACHERS

At the Congregational church parlors Monday evening a cordial welcome was extended by the pastor, the church members and friends to Sonoma's teachers. The affair was an informal reception and was greatly enjoyed by the educators and all the participants.

Rev. Isaac Cookman welcomed the teachers in cordial fashion and assured them of the community's interest and co-operation. Miss Bloom responded for the teachers in a gracious manner.

Musical numbers included violin solos, Brahms' "Hungarian Dances" and Moskowski's "Serenade" by Lyle F. Campbell; vocal solo, "How I Miss You," Mrs. Rhea Hanlon, and an original and clever welcome song composed by Mrs. Carrie Burlingame, in which all joined.

Rev. S. E. Crowe closed the program with appropriate words of cordial greeting to the teachers of the Sonoma schools, whose important mission in the community he emphasized.

Games and contests created interest and merriment among the young folks present and delicious refreshments rounded out the evening. Coffee, sandwiches, cake and ice cream, the latter contributed by Charles Potter, in generous amount, were among the good eats enjoyed at the affair.

The new teachers present were Mrs. Gilbert, Miss Meyers, Miss Godward, and Messrs. Dyson and Pfeiffer.

IRVING SHEPARD REMEMBERS RODGERS

Probably no one in this neighborhood was more pleased to hear of the salvaging of John Rodgers and his air craft crew off Kauai in the Hawaiian Islands, than Irving Shepard, Jack London's nephew. Mr. Shepard remembers Rodgers in the North Sea when he was Squadron Commander of the mine sweeping fleet after the World War. Rodgers was well liked by the men under his command.

High School News

The Northwestern League has been re-arranged this year so that the competition in athletics for Sonoma Hi will be limited to the schools of Napa county and Vallejo. If Sonoma Hi leads its division, it plays the winner of Sonoma county and San Rafael. This will apply in all athletic sports except tennis.

The driveways on the high school grounds are now in excellent shape. All parking is done upon them. If you mire down this winter, it will be blamed on your hip picket and not the high school trustees.

Sonoma Hi is primarily a boys' school. Always there are more boys enrolled than girls.

Among the students of Sonoma Hi who have come from afar is Eleanor White, who transferred from Toronto, Canada. She is a Junior and still somewhat loyal to her home country.

The high school attendance to date is 175. Of this number 55 are Freshmen, 37 Sophomores, 44 Juniors and 37 Seniors. The Junior and Senior classes are the largest in the history of the school. The Sophomore class is below the average of the last four years. The Freshman class is normal.

The Sonoma Hi Bi-Weekly will appear next Monday. If you are interested in the school, insist on Johnny bringing home his copy, or Mary hers. The farm mechanics class is at present completing the installation of the electroliters for the front entrance.

The carpentry class has wrecked the old blacksmith shop. They will use much of the lumber for forms for the shop addition. The roof has been cut into sections to be used in extending the auto shed.

Marcy & Peterson have started in on the completion of the sprinkler system. The lawn will be planted early in the spring.

Bids for lumber, cement and hardware on the new building at the high school will be opened next Tuesday.

Mothers who are interested in the course in home making which their daughters are studying should visit the domestic science department. They will be agreeably surprised.

BOSTON PAPER RUNS STORY OF FORT ROSS

A late issue of the Boston Evening Transcript carries an extremely interesting full page feature story, with illustrations, giving a history of the old Russian settlement at Fort Ross.

The article was written by H. H. Dunn and the data on which it was based was secured through the activities of the Sebastopol Chamber of Commerce and Sonoma's talented historian, Miss Honoria Tuomey.

There were six large illustrations with the article. One was furnished by William McClellie and the others from the collection of Miss Tuomey.

\$4,604 ESTATE LEFT BY SEBASTIAN RIEBLI

An estate valued at \$4604, consisting of cash and an interest in a promissory note, was left by the late Sebastian Riebli of Pennigrove, according to a petition for probate of the will, filed recently in the superior court by Theodore Riebli. Riebli left a will dated July 27, 1907, in which the following are named as heirs:

Kate Riebli, Pennigrove, the widow; Theodore, Frederick and Bertha Riebli, Pennigrove; Robert and Arnold Riebli, Petaluma, Joseph Riebli, Hollister; Annette Riebli, Peters; and Kate Forni, Vineburg.

Thomas Harris returned to Sonoma this week after a delightful trip to his old home in England. Mr. Harris was away for four months.

Supervisor Lowell is to have a new rock crusher, to be delivered at El Verano shortly, the cost not to exceed \$3283.

The Flying Needles will meet Wednesday at the home of Mrs. Rae B. Hunter.

WEDDING BELLS TO RING NEXT SATURDAY

Next Saturday morning, October 3rd, at St. Francis church, Miss Ann Dowdall will become the bride of Anthon Thomas Sousa, Jr., of Alameda, Rev. Father Byrne officiating.

The bride will wear a wedding gown of sheer white material, with the customary veil and orange blossoms. Her bridesmaid will be her sister, Irene, who will wear a modish costume of yellow. The groom will be attended by John Dowdall, brother of the bride.

Following the ceremony at the church, the families and close friends of the young folks have been bidden to the Dowdall home at El Verano, where an elaborate wedding breakfast will be enjoyed.

The bride-to-be is a popular Sonoma Valley girl and comes from one of the respected pioneer families of this section. She is the daughter of Mr. and Mrs. J. N. Dowdall, and has been the recipient of hearty congratulations and good wishes since the announcement of the engagement.

Mr. Sousa is the only son of a prominent Alameda county family, and is popular in a number of fraternal orders of his city.

METHODIST HARVEST FESTIVAL AND SUPPER

The Harvest Festival bazaar and supper to be given by the ladies of the M. E. church is being eagerly looked forward to. Many beautiful hand made articles, also candy and home cooking will be disposed of and a bounteous supper will be served.

The Methodist ladies have always a great demand for what they put on sale at the annual bazaar, so the public is urged to attend early in order not to be disappointed. Remember the date, Friday, October 2nd.

DR. A. M. THOMSON HOME FROM HOSPITAL

Dr. A. M. Thomson, who has been critically ill at St. Francis Hospital following a serious operation, arrived home Wednesday evening and is making good progress toward recovery. He stood the trip from San Francisco very well. The doctor plans to go to Branscombe, Mendocino county, for quiet and rest after he is more fully convalescent.

News of Dr. Thomson's homecoming has been the occasion of much rejoicing among his many friends throughout Sonoma Valley.

Double the Mileage at Half the Cost

Only a few years ago a 32 x 4 cord tire listed over \$50.00. Today, you can buy the highest quality 32 x 4 tire—a Firestone Gum-Dipped Cord—for about \$26.00.

Last spring crude rubber cost tire makers around 40 cents a pound. Today, it is over 90 cents a pound.

It was not so long ago that 7,500 miles represented the average life of a cord tire, while today, 15,000 miles—and more—is only the usual performance for a Firestone Gum-Dipped Cord.

Due to large, concentrated production, specialized machinery and simplified factory methods, together with economical distribution, Firestone is able to keep tire prices low—no matter where the price of crude rubber goes.

And, because of special Firestone processes, chief among which is Gum-Dipping, motorists are today getting thousands of extra

miles by using Gum-Dipped Cords.

Gum-Dipping is an exclusive method used by Firestone. It is an extra process, carried out in special Gum-Dipping plants, after which the cords are put through the usual calendaring machines. Gum-Dipping insulates and impregnates every fiber of every cord with rubber, and practically eliminates internal friction and heat, and builds strength and endurance into the tire.

In the day-in and day-out service of taxicabs, buses and trucks—on the cars of hundreds of thousands of motorists everywhere—Gum-Dipped Cords are giving unheard-of mileage, dependability and satisfaction.

Get ready for the coming months of slippery pavements and bad roads. Assure yourself of greater safety, comfort and economy by equipping now with Firestone Full-Size Gum-Dipped Balloons.

VALLEY OF THE MOON CHAPTER ENTERTAINS

Thursday evening of last week was a brilliant one in the social annals of Valley of the Moon Chapter, Order of Eastern Star. The occasion was the entertainment of the conductresses and associate conductresses of neighboring chapters, Petaluma, Santa Rosa, Napa and Vallejo.

The special guests were royally entertained, the evening being in charge of Valley of the Moon Chapter's conductress, Nell Clements, and associate conductress, Mary Nicol. A pleasing program had been prepared, the contributors to this part of the evening being our talented musicians, Mr. and Mrs. A. R. Grinstead, Lyle Campbell and Mrs. Baade, of Napa.

later festivities when the visitors were feted and presented with pretty gifts. A delicious repast was served at a table decorated in the colors of the Star points. Melon cocktail, cakes and ice-cream were served in the glow of soft candle light and amid favors and decorations, all reflective of the Lodge and its emblems. The arrangement committees headed by Mrs. Clements and Mrs. Nicol were Mesdames

Dobbel, R. E. Murphy, McAllister, Golton and Harry Coops.

HARVEST FESTIVAL ANNOUNCEMENT

The annual M. E. Harvest Festival and supper will be held in the evening of October 2nd, at the M. E. church parlors. Donations for the festival will be gladly received by Mrs. Nicol or Mrs. Angove—adv. 34f

HISTORIC CELEBRATION HAS BEEN CALLED OFF

The Kit Carson celebration which was planned as an autumn feature at Agua Caliente Springs has been called off. Considerable interest in Kit Carson's career in Fremont's day here was being revived by the historic event which will probably take place at some future time.

WILL AID SHERIFF IN ENFORCING PROHIBITION

A pledge of co-operation between the office of sheriff and district attorney in enforcement of all laws was contained in a statement issued Wednesday by District Attorney George W. Hoyle. Both Hoyle and Sheriff J. F. Ryan, the statement says, will continue carrying out the duties of their offices, the former using his investigators to secure evidence against offenders and the latter making arrests where such evidence will justify.

Hoyle's statement follows in full: "In view of the fact that a misunderstanding has apparently been created by a newspaper article recently published relative to the attitude and proposed action of J. F. Ryan, the newly appointed sheriff of Sonoma county, with reference to the so-called prohibition or 'dry' law, I deem it but fair to Mr. Ryan and myself to clear the atmosphere of doubt by a fair statement of the attitude and intentions of the sheriff's office and my own office in this particular. Neither Mr. Ryan or myself initiated or are responsible for the laws enacted by the legislature or by congress, yet both of us have taken an oath to support the constitution and enforce the laws to the best of our ability. This, I feel safe in saying for Mr. Ryan as well as myself, we will do.

"The sheriff has no power to employ investigators to secure evidence against violators of any law unless he pays for their services out of his own pocket, which he cannot be expected to do. I have the power to employ investigators and the expense is a legal claim against the county.

"I have gone over this matter fully with Mr. Ryan and he has promised me full and hearty co-operation and I know he will make good. Mr. Ryan expects me to proceed in securing evidence in all criminal matters by the use of investigators, as I have done in the past, and when complaints or affidavits for search warrants have been sworn to and search warrants issued, he will give his whole hearted support to my office in making arrests where the facts justify.

"As between the sheriff's office and the office of district attorney, there is no desire or inclination to 'pass the buck,' or take from one that to which the other is entitled, or to intrude upon the rights of each other, but to work together in a spirit of friendly co-operation to the end that the public, which we both serve, may receive the best that we can give them in the way of service."

ENGAGEMENT ANNOUNCED

A marriage of interest which will be solemnized in the near future will be that of Mrs. A. E. Pierce, esteemed resident of East Napa street, and Elijah Taylor, also of the Buena Vista district.

Mrs. Pierce has already been the recipient of congratulations by her many friends, as has also Mr. Taylor. The groom-to-be came here from Texas and is a gentleman of the old school, courteous and kindly. Both have grown families who share the happiness of the couple.

STATE EMPLOYEE IS HERE ON VACATION

Mr. and Mrs. Allan McGimsey and little daughter, Marilan Jane, have been here from Los Angeles, where Mr. McGimsey is with the State Insurance Commission. He has been with the department two years and likes his work in the south. Mrs. McGimsey was formerly Miss Anita Camp, of Buena Vista.

McGimsey and his father, Milton McGimsey, of Branscombe, enjoyed a pleasant reunion with Sonoma relatives during the past week.

MASONS HAD VISITORS

Last Saturday night the local Masonic Lodge had a visit from Vallejo, Napa and Santa Rosa. The visitors put on the work during the evening and a very enthusiastic session, participated in by 100 Masons, was enjoyed. A banquet followed.

NINE VITAL FACTS

Here, in brief form, we present for your information nine vital facts underlying the success of Dodge Brothers, Inc., and the goodness and value of their product.

Dodge Brothers, Inc., consider these facts so fundamentally important to the motor car buyer that they will be repeated, from time to time, until every newspaper reader in America may be presumed to have read them:

Dodge Brothers, during the past eleven years, have built and sold more than one million four hundred thousand motor cars—and more than 90% of these cars are still in service. This record requires no comment. It stands impressively alone in motor car history.

It has never been Dodge Brothers policy to build yearly models. When an improvement, that is really an improvement, is discovered, it is made at once. Their slogan, "Constantly Improved But No Yearly Models" is familiar the world over.

Dodge Brothers build one chassis and only one. This policy materially lowers manufacturing cost. It also enables Dodge Brothers engineers to concentrate their entire time and thought on the betterment of this one type.

Dodge Brothers have never had an "off year" or an "off car." This is because they have never used the public as a testing ground for "new models" or lowered the quality of their product in the slightest degree. Every change has been an improvement on the original design.

Dodge Brothers pioneered in building the first all-steel open car and the first all-steel closed car. These epochal develop-

ments have saved Dodge Brothers owners many millions of dollars by materially prolonging motor car life and by effecting marked economies in manufacture. This construction has also reduced incalculably the danger from accident and fire.

Dodge Brothers sell directly through their dealers to the purchaser. There are no sectional distributing agencies to increase the cost of distribution and the cost of the car.

Dodge Brothers have never given so-called "free service." The car is sold at a fair and honest price. Nothing is added to this original purchase price to pay for service that the owner may never need.

Dodge Brothers Dealers were pioneers in unanimously adopting the flat rate service system. By this system, the owner knows in advance what any service job will cost. There are no unpleasant surprises in his bills.

The sturdiness and long life of Dodge Brothers Motor Car is reflected in its resale value. Comparatively few Dodge Brothers Motor Cars are advertised in the resale columns of the newspapers. The values they bring testify unanswerably to their goodness—and the public's belief in their goodness.

The purchase of an automobile is a serious and important business. The time has passed when transient novelties can lead a thoughtful buyer to overlook the great essentials of motor car worth.

A few of these essentials are clearly outlined above. They go far to explain why Dodge Brothers name is accepted, the world over, as the hall mark of dollar-for-dollar value.

lative of Mr. and Mrs. John Nufer of El Verano, and is a charming and beautiful young lady. Mr. Denny is a well known Oakland boxer, and recognized by fight fans as good timber for the middleweight championship. The happy newlyweds have returned from their honeymoon and will live in Oakland, where Mr. Denny has purchased a nice home. Sonoma Valley friends of the couple extend congratulations and best wishes for a successful voyage over the matrimonial sea.

Mr. and Mrs. James Barry of San Francisco were week end visitors at their El Verano bungalow on Nob Hill.

The little son of F. E. Rees, while playing at the El Verano school yard last week, narrowly escaped serious injury when struck by a car driven by B. Nicholini of Sonoma, who attends school here. The youngster was pinned under the car, but fortunately came out of the accident with only slight bruises, but badly scared. The little fellow was absent from school for several days, but is now alright.

John Dwydall and Buck Main, prosperous local cattlemen, transacted business in Petaluma last Saturday.

Miss Olga Lippi of San Francisco visited friends here Sunday.

Captain and Mrs. Tullett, proprietors of the El Verano Villa, left last Monday on a motor trip which will take them as far as Canada, where they will visit a brother of Mrs. Tullett, whom they have not seen for 18 years. They will be gone about a month and during their absence William Fieger will have charge of the resort.

J. Signorelli, local vineyardist, attended to business in San Francisco last Saturday.

Roadmaster Connors and his clerk were over the Santa Rosa branch last Saturday, looking over the track. The officials traveled on a gasoline speeder. The new section foreman at Schellville, selected by Mr. Connors, is doing excellent work and will make a good railroad man.

Ben August of San Francisco was coming along the highway last Saturday near Schellville when a tire on his car blew out, throwing the machine to the opposite side of the road where it collided with a machine driven by the Misses Piercy of Napa. Both of the young ladies were thrown from the car, one being cut on the arm. She was removed to Dr. Boelsen's office at Sonoma, where seven stitches were required to close the wound. Both cars—Fords—were badly wrecked. On Monday, near the horseshoe bend at the Spreckels ranch the cars of Mrs. Redmond, Richmond, and Captain Bowdick, of Caliente, came together. Both cars were damaged, but the occupants escaped injury. Deputy Sheriff Mullen of El Verano was on the job and investigated both accidents.

SHERIFF RYAN NAMES ANOTHER DEPUTY

Roy McCabe, former owner of a Santa Rosa automobile paint shop, was Monday appointed a deputy sheriff to fill the office left vacant by former Deputy Sheriff Robinson.

In announcing the appointment of McCabe as deputy sheriff, Sheriff Ryan stated that McCabe came to him well recommended and as a man competent to fill the office. McCabe was sworn in as deputy at once.

State Traffic Officer James Shanks of the Sonoma county traffic squad, who had been offered a deputy sheriff's badge by Sheriff Ryan, last Saturday evening declined the position.

McCabe, who has resided in Santa Rosa for over 20 years, is well known here, and a member of the Odd Fellows, Knights of Pythias and the Masonic Lodge.

With the appointment of McCabe as a deputy, Sheriff Ryan has all his staff positions filled.

Miss Mattie Goodman has been visiting in Petaluma, the guest of Mr. and Mrs. Bruce Painter, and of her aunt, Mrs. C. H. Dillon.

CONTINUE TO ADVOCATE

WOMEN CONVICTS' FARM

Despite the big appropriation passed by the last legislature to erect a new and modern prison building on the shores of the bay at San Quentin Point for women convicts, there is continued agitation for the re-opening of the Buena Vista farm for delinquent women, to which some advocate the sending of all women prisoners now in the state penitentiary.

The Daily News recently published a front page story, featuring an interview with Dr. Kirchwey, New York criminologist, as follows:

"Women should never be incarcerated in a man's prison," Dr. George W. Kirchwey, noted criminologist, said today before he left for New York after completing a study of the penal system of California.

Dr. Kirchwey formerly was warden of Sing Sing prison and is now dean of Columbia law school. He has been adviser of the Pennsylvania committee on penal affairs.

"The women of California should demand a separate prison for women," he said. "If they unite in their efforts to rebuild the Sonoma farm for women and combine with it a plan to remove the women from San Quentin they can arouse the state in the cause."

"Governor Richardson, by vetoing appropriations, has closed the Sonoma prison farm planned for the reformation of delinquent women."

"The state administration now plans to build a new cell unit for the women prisoners at San Quentin, to relieve the wretchedly over-crowded conditions."

"The logical thing to do is to combine both types of women prisoners in a prison farm."

"No woman ought to be committed to a prison of the old type, such as San Quentin. There is no opportunity for healthful work or needed exercise."

"Women of Pennsylvania united, carried their women's prison bills against the opposition of politicians and prison authorities, and secured legislation creating at Muncy, which had been a prison farm for delinquent women similar to that at Sonoma, a prison for all types of women."

"This farm has proven a great success for the reformation of delinquent women. Women have been physically recuperated and taught useful occupations."

"The prison ideal should be reformation. It can never be accomplished for women in California while they are incarcerated in a prison block-cell at San Quentin. They are without opportunity for useful, healthful work. There is no educational or industrial opportunity to prepare them for useful lives when they are turned loose."

"Our prisons should be great colleges or industrial schools."

"Our plan of building prisons with walls is antiquated. It would be vicious if it were not so silly."

"The vast majority of prisoners do not need cells or walls. Wardens have estimated to me that cells are needed for only from 5 to 20 per cent of the men prisoners. The state of New York maintains an honor prison at Great Meadows that is without walls."

"The women's farm would need no walls. It should be a modern school of industry that would cure women of criminality."

"I Could Have---"

How often have you heard a friend say what he could have done if he had had a little ready money to take advantage of an unusual opportunity? Perhaps you have used this phrase yourself.

The surest way to be prepared for Opportunity is to set aside money regularly in a Mercantile Savings Account. Don't spend it all!

A small amount deposited regularly—every week or every month—will reach worth-while proportions in a surprisingly short time.

EACH COW MUST KEEP FOUR PERSONS IN MILK

Every group of four persons in California supports a dairy cow, and, reversing this, each California dairy cow (average cows and average individuals) spends her life mite producing the milk that, in some form, is consumed by four people. Every person consumes 1000 pounds of dairy products a year, and each cow produces 4000 pounds of milk.

Twenty cents out of every dollar that the American family spends for food (it is averages that are spoken of again) goes for dairy products—milk, butter, cheese and ice cream. The nutrition experts and others who make a study of the influence of food upon human life, agree that people would be healthier and the food budget smaller, if the percentage spent for dairy products were somewhat larger. From the standpoint of amount of nourishment obtained per dollar spent dairy products are by far the cheapest food we have.

These points were made by Dr. C. W. Larson, chief of the United States Bureau of Dairying in an address delivered before the California Dairy Council, in which he pointed out that human population in the United States is increasing at a much greater pace than cow population. Further complicating the situation which now is confronting the dairy cow, per capita consumption of her milk is growing as people learn more and more of the health giving qualities of dairy products, and the time may come when one cow, at her present rate of production, can no longer feed four persons.

The nation needs 375,000 additional of these average cows each year to keep pace with the increased demand brought about by increase in human population along, and in only two years out of the last 10 has the number of cows increased by that many. What is needed most, however, is not more cows, but better cows, Dr. Larson said.

Fortunately, in the chief dairy producing sections of California the cows are greatly above the average for the nation, Dr. Larson said, but there is still room for much improvement.

TO THE PUBLIC

Fire broke out on an adjoining place Tuesday and spread to my ranch burning two stacks of hay and straw before being controlled. I herewith extend thanks to my neighbors for prompt and effective aid in putting out the fire, but regret that I cannot thank the Boyes Springs and Valley Fire Department, as it failed to answer my call for assistance, although I am a contributor to the upkeep of the department.

BOOZE IS DESTROYED BY COUNTY OFFICERS

Liquor of all kinds, varieties and strength was poured into the sewer at the Sonoma county jail at Santa Rosa last Saturday, while passersby sniffed suspiciously as the alcoholic aroma floated into the air.

Bottles, demijohns, jugs, barrels and kegs. Red wine, white wine, blue wine. Gin, whisky, jackass, home-brew beer. Liquor with a 275 kick and liquor with the kick of an army mule.

Those contributing to the confiscated evidence were Roy von Grafen, Joe Cavallina, Alfred Bickford, Perry Welch, William Green, Mrs. Rossi, Mert Loughlin, F. Murphy, Joe Diperno, C. Clemente, Mrs. Lindo Brovelli, L. Brownie, O. Damner, Frank Terry, Joe Banags and S. Morlin.

H. Monk has returned from Kings county where he has been employed on a big project for the San Joaquin Valley Power and Light Company. He has been looking over his Glen Ellen ranch the past week.

EX-SHERIFF WHELAN DEAD

Richard L. Whelan, former San Francisco sheriff, who had been seriously ill in the Santa Rosa general hospital for two weeks, died at 1 o'clock Thursday morning. Mrs. Whelan was at his bedside when the end came. The former San Francisco official spent most of the summer in Sonoma Valley in an effort to regain his health. When his condition became critical he was taken to the Santa Rosa hospital for treatment. Whelan, who was prominent in political life in the bay city, was well known as a humorist and short story writer. He is survived by his wife.

EX-SENATOR GRANT, REFORMER, IN TROUBLE

Charging that his wife is infatuated with another man and has attempted to obtain her husband's aid in the procuring of a double divorce so that she could marry him, former State Senator Edwin E. Grant, ex-president of the State Law Enforcement League, has filed suit for divorce in Alameda county.

The man named in the complaint is E. E. Rose of Martinez, a married man with three children.

Grant charged in his complaint, which was filed by D. Hall, city attorney of Richmond, that his wife, Mrs. Bessie C. Grant, had brought Rose to their home in Oakland, on August 9th, and attempted to persuade him to agree to a divorce, stating that Rose would also obtain a divorce from his wife, so that the two could marry.

Grant asks the custody of their daughter, Varne, aged 7, who was left with him when his wife left the family home.

Grant is a purported reformer once active in these parts.

The West Coast Transit Company, operating on the Redwood Highway between San Francisco and the Oregon line, has been purchased by the Pickwick Stage Company.
